### FAQ

Q: Can I visit factory? Can your factory arrange transportation for me?

A: My dear, it is our pleasure to invite you to visit our factory. Our factory is based on Zhanqi Town, Ningbo City, Zhejiang province, which will take about 1 hour by car from Ningbo city to our factory. We can arrange our driver to pick you up from your hotel when you arrived in Ningbo City.

Q: Can your factory print our brand on the product?

A: Our factory can laser print customer's logo on the product with the permission from customers. Customers need to provide us a logo usage authorization letter to allow us to print customer's logo on the products.

Q: Does your factory have the design and development capabilities, we need the customized products?

A: The staffs in our R&D department are well experienced in the faucet industry, with more than 10 to 15 years experience. Every year, we will launch 2 to 3 new series to keep out customers in a competitive stage. We can make customized products especially for you.

Q: Is your factory able to design our own package and help us in market planning?

A: We are willing to help our customers to design their package box with their own logo. We have a design team and a marketing plan design team to service our customers for this.

Q: Can your factory produce the low-lead faucet?

A: We also can produce the low-lead faucet according to your requirement of lead content.

Q: What is the standard production time for each order?

A: Usually, we can finish order in 25-30 days, it depends on your quantity.
